September 2016

*Empowered Minds Building Strong Community*

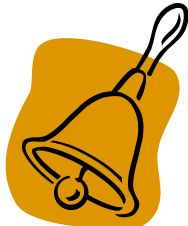

## In this issue:

- ♦ Welcome Back
- ♦ Calendar of Events
- ♦ Important Information

Looking for a way to get involved and have more input in our school? Then join us on Tuesday September 19th at 6:30 for our A.G.M. It will be held in the art room. Hope to see you there!

## Bell Times

Remember that each morning the warning bell goes at 8:25 to start school. Monday to Thursday ends at 3:25 and Friday ends at 12:30.

## First Day Fun

We would like to thank Market Street and their sponsors Kellogg's, Saputo and Lassonde for our awesome breakfast on the first day. It was a great way to start off the school year.

## Welcome!

Welcome back everyone to the 2017-2018 year!

We would like to extend a warm welcome to our new students to VPE! Hopefully they have been having a great first couple of weeks.

September is already shaping up to be a busy month. Be sure to keep signing agendas, check out our website or follow us on Facebook for updates.

As you will see, we have already been busy learning and playing.

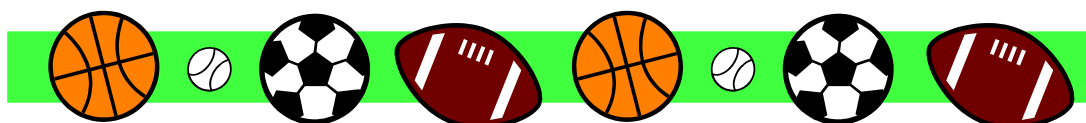

# September Calendar of Events

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
				1 PD Day (No school for Students)
4 No School	5 1st day of school 	6	7	8
11 Soccer Intramurals begin Cross Country Hot lunch forms due	12 Meet the Teacher & Mass Registration 3:45-5:30	13	14 After-school basketball	15
18	19 Picture day 	20 Picture Day	21 After-school basketball	22 Vulcan Volunteers Begin Fall Fair
25 Cross Country Run (Gr. 3-6) 	26	27 Tech Club Begins	28 After-school basketball	29 Terry Fox Run

## School Sports

Throughout the year students have a chance to participate in basketball, volleyball, curling, badminton and track and field after school. Be sure to keep an eye out for registration forms throughout the year.

# VPE School Council

## School Council Meetings

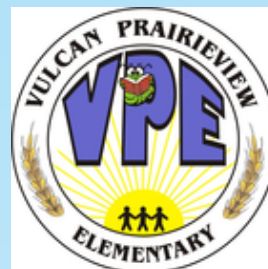

All parents are welcome to attend meetings. It is a great place to hear more about what is going on in the school, meet other parents, find ways to volunteer and it gives you a chance to be heard.

The Annual General Meeting is on Tuesday, September 19th at 6:30 with elections for executive and director positions. If you are worried about a commitment, you do not have to be a voting member to come to the meetings and take part in discussions. If you do take a position on the council, you will be expected to make it regularly so that quorum can be met.

## Room Reps

Each year volunteers are needed as Room Reps for each classroom. This job is to coordinate food and other special activities and to let parents from that class know when extra help is needed. They also usually help with a few hot dog or hot lunch days.

If you are willing to volunteer as a Room Rep or just on lunch days, please leave your name and number in the office and the Room Rep Coordinator will contact you.

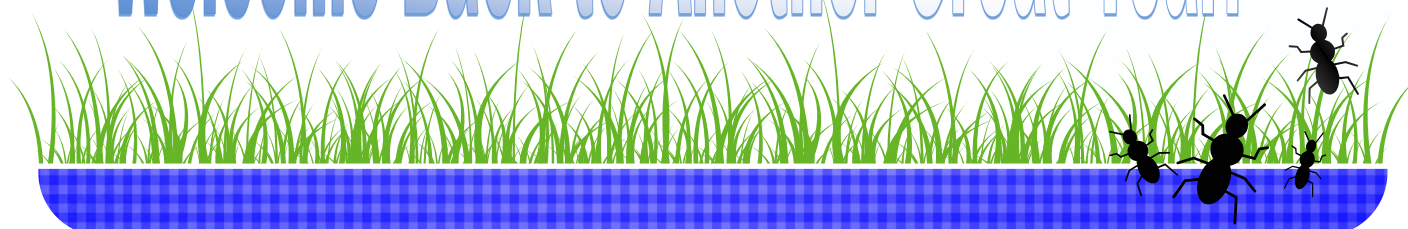

## Food Cards

Food cards are available for \$20 in each classroom or at the office. The teacher will mark the card each time your child orders hot dogs or hot lunch and you don't have to hunt for spare change. When it is empty they send it back in the agenda.

## Apple Project

Fruit will once again be provided in classrooms for students to access healthy snacks. This program is already up and running. Thanks to all those who have supported us in the past and we hope you will continue to do so.

# Welcome Back to Another Great Year!

## Have you checked out the Vulcan Prairieview Elementary Facebook Page?

We have a published page that we hope will help to keep you informed about upcoming events as well as share the great things that happen here at VPE. Be sure to like us! We have 270 followers and hope to keep growing.

## Milk Program/Hot Lunch

Love not having to make a lunch on hot lunch and hot dog days? These programs will continue. You can purchase cards for \$20 or send in money each time. Milk cards are \$10 for 12 milk (chocolate or white milk are available). Teachers will let you know when your card is full.

## One Dream: A World Without Cancer

VPE will once again be taking part in the Terry Fox Run on Friday, September 29th. We will all work towards Terry's goal of ending cancer.

We want to work towards a goal of raising \$7000. If we can do it there will be some type of special reward. Mrs. Inaba is still working out all of the details.

In order to make this event a success, we are in need of help. If you can come help set-up, hand out water bottles or walk with us it would be greatly appreciated.

More information will be coming, however if you are interested or have questions please contact Ms. Heather Meehan at the school (485-2074).

Thank you for your support!

# First Week Fun
