

Vulcan Prairievew Continues to Achieve Great Results!

Last Month, schools across Alberta received their Alberta Education Accountability Report. This document is an analysis of how schools are performing in a variety of different areas. It is based upon surveys from parents, students, teachers and provincial achievement test results. As you can see below, V.P.E. has once again received the highest possible score of “Excellent” in all measures. This is a difficult and exceptional accomplishment that all of our school community should be proud of.

On the next page you will see the latest set of Provincial Achievement test results. V.P.E. significantly outperformed the provincial average in most subjects including some excellence scores that tripled the provincial average. Thank you to students, parents and staff for this continued success and for supporting our school in reaching such a high standard of excellence.
