**Motion made by Tiffany to cover upto \$2600 for clay for kids. Motion Passed**

-Secretary laptop - tabled

-track & field ribbons - Heather Dawson asked if we still want to do ribbons. Conversation came up to maybe limit to 1st/2nd/3rd instead of 1-6 or 7 as in previous times. Parent mentioned it is ok to celebrate athletes too, not everyone needs to get a ribbon.

-Sound Kreations 2023 - Heather Dawson asked if someone wants to write a grant for Sound Kreations for 2023. Tiffany offered to help.

-MaryAnn made a motion for up to \$3000 for all upcoming field trip bussing fees to be paid from the casino fund. Kindergarten group possibly going to Corn Maze or Science Center. Grade 1-3 Heritage Park June 2nd, Grade 4-6 Calgary Science Center April 6th. Did not get a specific amount needed from VPE, tried to figure it out based on busses needed/drivers/km. Donna Rae 2nd, all in favor, motion carried. Point made that no students will pay for bussing. Tracy commented it has always been a standing thing that bussing is paid for by the parent council.

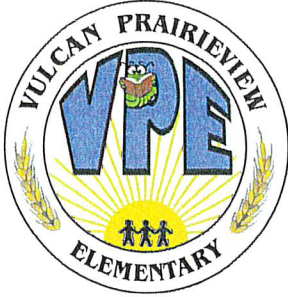

-Outdoor Classroom - Mary Ann updated: Palliser doing concrete work to clean up the area first where the classroom will be set up. Dave Cookson has been keeping Mary Ann in the loop with it all. Once she has a timeline she will be able to work on plans. Will also be sure to approach service groups once we have a solid plan and cost.
